EDUCATION

University of Southern California - Los Angeles, CA

August 2024 - May 2027

B.F.A. Game Development and Interactive Design

3.97 GPA, Dean's List 2024

EXPERIENCE

Game Designer, Design Writer

February 2026 - Present

Desol, Los Angeles, CA

- Designed systems for NPC movement, spawning, and dialogue.
- Worked closely with the narrative team to make design choices that would both guide players through levels and convey key narrative information.
- Implemented in-engine NPC movements, behavior, and position, as well as camera locations.
- Created design documentations to ensure consistent implementation.

Game Designer

September 2025 - Present

Open Alpha, Los Angeles, CA

- Wrote character dialogue for the original games, *Neuromancer* and *Large Language Mimic*.
- Designed minigames, day/night progression systems, point systems, and narrative branches for *Large Language Mimic* in conjunction with other designers.
- Worked closely with the engineering team to clarify design choices and ensure consistent implementation.

Research Assistant

September 2025 - Present

Creative Media and Behavioral Health Center, Los Angeles, CA

- Led the redesign of the center website, organizing and formatting pages, updating outdated information, and ensuring visual cohesiveness.
- Collected playtest data for the game, *Cards of Heart*.

Game Artist

January 2025 - May 2025

Open Alpha, Los Angeles, CA

- Created pixel art assets under a specified theme and color scheme for the original game, *Open Your Browser*.
- Designed UI assets in collaboration with the design team.
